5. License Verification

5.1 License Verification provides a software mechanism which Quantego has embedded in The Software in order to make it possible to control (a) that Licensee does not use The Software on more physical machines or for other users than permitted, (b) that Licensee does not use The Software for longer time than the duration of the License (license period) and (c) that Licensee can only get access to modules and functionality, for which a License is granted. Use of License Verification shall under no circumstances free Licensee of the responsibility to comply with the obligations and express restrictions of the License and the particular License Type, as described in Articles 2, 3, and 4 and any other terms and conditions of this Agreement.

5.2. As part of the License Verification, a license file might be required to be able to use The Software. In order to make it possible for Quantego to provide a license file, the Licensee must provide Quantego with the requested information about Licensee's physical machine. Without undue delay after receipt thereof, Quantego will send the Licensee the necessary license file.

6. Licensee Responsibilities

The Licensee agrees to: (1) maintain the relevant computer system on which The Software is used and associated peripheral equipment in good working order in accordance with the manufacturer's specifications, and in compliance with the minimum system requirements of The Software as specified in the Documentation, to ensure that any problems or Errors reported to Quantego are not due to hardware malfunction; (2) reasonably perform any tests or procedures recommended by Quantego for the purpose of identifying and/or resolving any problems; (3) maintain procedures external to The Software for reconstruction of lost or altered files, data, or programs; (4) install in a reasonably timely manner all Updates and Major and Minor Releases provided by Quantego; (5) acknowledge and reference The Software as specified in the Documentation (User's Guide) when publishing any results derived from using The Software.

Licensee is not granted any rights of ownership in The Software (including its Source Code, or in any other products, services, or programming provided by Quantego, regardless of its form or purpose), including but not limited to any Intellectual Property Rights. Licensee shall have no right, title or interest therein, except as expressly set forth in this Agreement. The Software is owned by Quantego and is protected by Austrian copyright laws and international treaties. Title, ownership rights, and Intellectual Property Rights in The Software shall remain solely and exclusively with Quantego. Licensee acknowledges such right and will not jeopardise, limit or interfere in any manner with Quantego's ownership of or rights with respect to The Software.

8. Licenses for Third Party Software

8.1. Quantego has been granted licenses to distribute certain Third Party Software as part of or included with The Software which are licensed to the Licensee only for use as a part of The Software. These licenses require Quantego to distribute The Software to Licensee subject to specific terms and conditions, which may provide rights and impose restrictions for Licensee's use of The Software, including deployment of derivative works and applications, that are different from or additional to those contained herein. Licensee agrees that acceptance of the terms and conditions of this Agreement also confirms Licensee's acceptance of any terms and conditions of applicable Third Party Software licenses, which include (1) the Apache license 2.0: <http://www.apache.org/licenses/LICENSE-2.0> and (2) the

Eclipse Public license 1.0: <https://www.eclipse.org/legal/epl-v10.html>. Even if such Third Party Software licenses are governed by other agreements, the disclaimers and the limitations on and exclusions of warranty and liability set forth below shall also apply. The Software embeds the following Third Party Software:

- **Apache Commons:** Licensed under the Apache License, Version 2.0: <http://www.apache.org/licenses/LICENSE-2.0>. Unless required by applicable law or agreed to in writing, software distributed under the Apache License is distributed on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied. See the Apache License for the specific language governing permissions and limitations under that license.
- **Coin-OR Linear Programming:** Licensed under Eclipse Public license 1.0: <https://www.eclipse.org/legal/epl-v10.html>. Unless required by applicable law or agreed to in writing, software distributed under the Eclipse Public License is distributed on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied. See the Eclipse Public License for the specific language governing permissions and limitations under that license.

8.2. In order to use the QUASAR Java API, or the QUASAR for MATLAB API, or the QUASAR for PYTHON API of The Software, if licensed under this Agreement, Licensee must install Java, a software product licensed by Oracle Inc., and/or Matlab, a software product licensed by MathWorks, Inc., and/or Python 2.7 or 3.x, respectively. The Software licensed under this Agreement does not contain nor does it grant you a license to use either Java, Matlab, or Python; a license to use Java, Matlab, or Python must be obtained separately.

9. Maintenance And Support

With Commercial Licenses, Quantego provides Maintenance And Support for The Software for a Maintenance And Support Period against payment of a Maintenance And Support Fee as further specified below. Maintenance and Support is not available with free Academic Licenses and Trial Licenses, with the exception that this is expressly agreed by Quantego in a separate Signed License Agreement or signed Amendment to this Agreement.

9.1. The standard term of a Maintenance and Support Period is one year and covers one year of Maintenance and Support throughout this period ("**Annual Maintenance And Support Contract**"). The first Annual Maintenance and Support Contract for The Software shall commence on the Effective Date of this Agreement and is mandatory for any Commercial License; it expires automatically if not renewed by Licensee as set forth in Article 9.2 below.

9.2. Licensee can renew Annual Maintenance And Support Contracts annually for further periods of each one year subject to (i) agreement on any changes and revisions to the Maintenance and Support Fee and/or to the terms and conditions for Maintenance and Support between Quantego and Licensee, (ii) provided that such option is exercised at least one month before the date of expiry of the current Annual Maintenance And Support Period; moreover, Quantego reserves the right to discontinue offering Maintenance And Support for The Software either in whole or in part upon the end of each Annual Maintenance And Support Contract.

9.3. The Maintenance And Support for an Annual Maintenance and Support Contract is 20% of the then current price for The Software licensed under this Agreement. The first-year Annual Maintenance and Support Contract, which is mandatory for any Commercial License, is not included in the License fee and invoiced by Quantego as a separate position.

9.4. In the event Licensee does not renew the Annual Maintenance And Support Contract for some period and chooses to enter into a new Annual Maintenance And Support Contract at a later date, Licensee will be charged two-hundred (200) percent of the then current Annual Maintenance And Support Fees for all periods that were not covered.

9.5. Any Annual Maintenance And Support Contract is governed by the terms and conditions of This Agreement and is effective as soon as the Maintenance And Support Fee is paid after invoiced by Quantego or as soon as the paid for Maintenance and Support Period begins, whichever date is the latest.

9.6. The terms and conditions for Maintenance and Support might be changed or amended from time to time. In any of these cases, Licensee will be informed by Quantego about the new terms and conditions in connection with renewal of the Annual Maintenance and Support contract, and the new terms and condition shall as from the renewal date apply to future Maintenance and Support and the corresponding License(s).

9.7. Quantego Maintenance And Support includes the following benefits, subject to fulfillment of Licensee's responsibilities listed in Article 9.8. below. During a paid Annual Maintenance And Support Contract:

- (a) Quantego warrants that The Software will perform substantially in accordance with the Documentation, published by Quantego as updated from time to time, as long as Licensee's system meets the hardware requirements for the installed Release as specified in the release notes. Quantego does not warrant that The Software will be Error-free in all circumstances.
- (b) Quantego shall make reasonable efforts to correct, or devise Workarounds for any reproducible and material programming Errors in the latest release of The Software reported by Licensee in English language, and to provide such corrections or Workarounds to Licensee in a reasonable time. Some Errors will be corrected in a future release of The Software only and Quantego does not warrant that corrections and Workarounds can be provided for all Errors.
- (c) Quantego offers remote technical support by electronic communication for The Software during normal Austrian business hours (09:00-17:00 CET) in English language, which includes provision of Workarounds, Updates, Major and Minor Releases, installation and setup guidance.
- (d) Licensee is entitled to all Upgrades and to any new Minor and Major Releases of The Software licensed where that release occurs during this Maintenance And Support Period.
- (e) a Single-Machine License may be transferred to a new physical machine or up to (2) two times in this year free of charge; named users authorized to use The Software, whether temporarily or not, may be rededicated up to two (2) times in this year free of charge. Licenses not covered by a current Annual Maintenance and Support contact are not eligible for transfers.

9.8. Licensee Responsibilities:

- (a) Licensee shall notify Quantego about an Error by sending an email to Quantego using the following email address: support@quantego.com. Such notification shall only be made by the Licensee. Support will be initiated at most 24 business hours after the receipt of the email and completed within reasonable time. Quantego will not be responsible for delays caused by events or circumstances beyond its reasonable control.
- (b) Upon discovery of an Error, Licensee agrees, if requested by Quantego, to submit to Quantego any input and output and any other data that Quantego may require in

order to reproduce the Error, together with a listing of the operating conditions under which the Error occurred or was discovered.

- (c) Licensee shall give Quantego remote access to Licensee's relevant physical machines to the extent that is necessary for providing adequate support. If Licensee provides access to its systems for the purpose of Maintenance and Support, Licensee shall restrict Quantego from accessing Licensee's systems outside of The Software. Without limiting the generality of the limitations of liability outlined in this License, Quantego shall not be responsible for any effects its Maintenance and Support actions cause to any of the Licensee's systems or data resulting from its ability to access systems other than on The Software.

9.9. Maintenance and Support Exceptions. Maintenance and Support does not cover the following:

- (a) Personal assistance for modelling or custom software engineering; such services are charged for separately as specified in a separate Signed License Agreement, signed Amendment to this Agreement and/or in an individual offer by Quantego and require Licensee's written consent prior to the execution;
- (b) Errors in any versions of The Software other than the latest Major Release of The Software. However the preceding Major Release will still be supported for a period of one (1) year after the release of the latest Major Release;
- (c) Use with Java versions not listed in system requirements of The Software, as indicated in the Documentation of The Software and the release notes of a Release;
- (d) Pre-Production Releases;
- (e) Use with an operating system not listed in the Documentation, including alternate Linux distributions;
- (f) Any problem caused by modifications to any version of The Software not made or not authorized by Quantego;
- (g) Use of undocumented private APIs;
- (h) Custom code beyond calls to the APIs of The Software;
- (i) General system administration tasks, such as managing file permissions and environment variables;
- (j) Use of 3rd party tools such as databases, application servers, integrated development environments, etc.

In these situations, Quantego will try to help when possible, but assistance cannot be guaranteed.

9.10. "Pre-Production Releases": As an accommodation to Licensee, Quantego may provide Licensee with a pre-production release of The Software, which is discernible from a Minor and Major Release. Pre-Production Releases are not suitable for production environments and come with absolutely no warranty and Maintenance and Support obligations.

10. Fees and Payment Terms

10.1. Payment Terms: Licensee agrees to pay to Quantego any License fees and Maintenance And Support Fees within 30 days following receipt of an invoice in the amounts specified in this Agreement, a separate Signed License Agreement or signed Amendment to this Agreement. If not specified otherwise, all fees are due in advance. Maintenance And Support Fees shall be paid in annual instalments only. Except as otherwise expressly provided, no refunds are available.

10.2. Taxes, Duties, and Customs: Absent appropriate exemption certificate(s), Licensee shall pay all taxes, duties, or customs attributable to this Agreement and the License(s) and Maintenance and Support granted hereunder.

11. Term and Termination

11.3. Termination by Quantego. Quantego may terminate this Agreement and all Licenses and Maintenance and Support granted hereunder (i) if Licensee breaches any material term of this Agreement or separate Signed License Agreement or signed Amendment to this Agreement, including failure to pay any License fees due, and Licensee has not cured such breach within sixty (60) days of written notification; (ii) immediately, by written notice to Licensee, if Licensee violates Intellectual Property Rights of Quantego or breaches any terms and conditions of Articles 2, 3, 4, and 7 of this Agreement; (iii) if, after requesting and failing to receive from the Licensee adequate assurances of compliance with any of the terms and conditions of this Agreement or separate Signed License Agreement or signed Amendment to this Agreement, Quantego reasonably believes that Licensee is or is intending to breach any material term of this Agreement.

11.4. Effect of Termination: Upon termination for any reason Licensee must immediately destroy The Software together with all copies, adaptations and merged applications in any form as well as any license files, and promptly provide written certification of their destruction. All Licenses hereunder shall cease immediately upon such expiration or termination, and Licensee shall immediately pay Quantego all outstanding payments due for The Software, for Maintenance and Support and any other charges that are specified in a separate Signed License Agreement or Signed Amendment to this Agreement.

11.5. Survival. All provisions regarding indemnification, warranty, liability, and limits thereon and protection of proprietary rights, shall survive termination of this this Agreement and the Licenses and Maintenance and Support granted hereunder, as shall all provisions regarding payment of amounts due at the time of termination.

12. Compliance

Licensee agrees to notify Quantego promptly upon discovery of any failure to comply with this Agreement. 13. Force-Majeure
